Attention Business Editors:  
^GWR Increases Flow-Through Brokered Private Placement@

ARMSTRONG, BC, Sept. 17 /CNW/ - GWR Resources Inc. ("GWR") (TSX Venture: GWQ) is pleased to announce that Raymond James Ltd. ("Raymond James"), the agent for the brokered private placement of up to 2 million flow through units ("FT Units") and 400,000 non-flow through units ("NTF Units") of the Company at a price of \$1.25 (the "Private Placement"), has agreed to offer for sale an additional 200,000 FT Units, on the same terms and conditions as the other FT Units. This increase in the flow-through portion of the Private Placement will result in total gross proceeds of the Private Placement of up to \$3,250,000. All the terms and conditions of the Private Placement remain unchanged, and are as announced in GWR's news release issued on August 15, 2007. The net proceeds of the Private Placement will be used by GWR for ongoing drilling of its Lac La Hache property and for general working capital. The Private Placement is expected to close around the end of this month. The Private Placement is subject to certain conditions, including, but not limited to, due diligence and receipt of TSX Venture Exchange and other approvals. Pursuant to applicable securities laws, the securities offered will be subject to a four month hold period. The securities offered under the offering have not and will not be registered under the United States Securities Act of 1933 (the "1933 Act") and may not be offered or sold in the United States or to U.S. persons (as defined in Regulation S under the 1933 Act) unless the securities have been registered under the 1933 Act, or are otherwise exempt from such registration.

The TSX Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
